

Rules Committee Report

NEW DELHI, December 16: The Rules and Procedure Committee appointed by the Constituent Assembly has almost completed its work.

The United Press of India gathers that the report of this Committee is not likely to be presented for consideration and adoption during the present session of the Constituent Assembly.

Inquiries in informed Congress circles in this connection reveal that this decision has been prompted by a desire on the part of the Congress to wait for the Muslim League to join the Constituent Assembly and participate in its proceedings after the Federal Court has disposed of the contemplated reference one way or the other.
