CERTIFICATE FOR COMMENCEMENT OF BUSINESS HAS BEEN OBTAINED

Messrs. Chellradh & Co., Manufacturers of the well-known Wood Preservative and Polish "LUMINA" had been turned into a Limited Liability Company. Besides, the Company is engaged in the manufacture of Typewriter Ribbons, Carbon Papers and allied products for which there is undoubtedly a wide market.

The Directors feel they may be in a position to declare an interim dividend during the first year of the Company itself—more so since this Company took over a running concern.

The Issued Capital of Rs. 5 Lakhs is divided into 50,000 Ordinary Shares of Rs. 10 each.

A few shares are available for public subscription. Those interested can apply to the Managing Agents, The Industrial Expansion Ltd., "Industrial House", Whitefield.
